Prerequisites prior to starting the PADI Open Water Diver Course

- The PADI open water diver manual is divided into 5 modular sections. At the end of each module there are knowledge reviews, please make sure all knowledge reviews are completed before the start of the course.
- Watch the PADI open water DVD, this DVD covers all the 5 modular sections of theory, all confined water dive skills and open water diving.
- Fill both sides of the student record folder making sure all necessary statements are signed and dated. 2 passport size photos required. Emergency contact details also need to be filled out. If you are a minor get your parent or guardian to counter sign.
- Dive medical: As an Australian Standards requirement, we are only able to teach the PADI Open Water Diver Course with persons who have completed a recent Scuba Diving Medical. This medical must state that the student is fit to dive under **AS4005.1** and this standards number must be written or printed on the medical form for us to be able to accept it.

Tuesday Day 1 Theory and Pool Dives

Arrive at 10:30 browse around the dive centre, make a cup of tea and coffee and get set to start at 11am at Perth Scuba 4/180 Bannister, Canning Vale, WA 6155 (08) 94554448 where we go over the paperwork, course pre-requisites and knowledge reviews. 5 quick quiz's are taken, dive equipment selected for training and then we head off to the pool for your 5 confined pool dives!

Wednesday Day 2 Shore Dives at Rockingham Wreck Trail

Meet at Rockingham at 11am. Two shore dives off one of Perth's pristine beaches at the Rockingham Wreck Trail. Interact with fish, be in awe at sunken ship wrecks, or just watch in amazement as schools of fish swim around you

Thursday Day 3 Boat Dives

Meet at Mindarie Boat Harbour at 7:30 am for 2 boat dives. Complete your open water experience for certification. Giant stride into the water at some of Perth's local dive sites. These dives will leave you wanting to plan your next dive before you even get out of the water! Then after a great day out, back to the dive shop to celebrate your newly acquired open water certification. Here you will be awarded your PADI Wall Certificate
